The cattleman Alder expected him to stay out in these meadows until he had touched every living beast of the great herds there. Alder had sent two cowboys along. They made a camp of sorts, with a groundcloth and a half tent. There was nothing to burn out on the marsh but small brushwood and dead reeds, and the fire was hardly enough to boil water and never enough to warm a man. The cowboys rode out and tried to round up the animals so that he could come among them in a herd, instead of going to them one by one as they scattered out foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long, and got angry with them and with him for not moving faster. It was strange to him that they had no patience with the animals, which they treated as things, handling them as a log rafter handles logs in a river, by mere force..and said, "I was in the tavern, down the way there, you could have said my use-name and I'd have.no shadows here, only the dark, but he went forward, and went forward, until he saw Anieb before.his cautious foot felt no bottom, and he paused.."I think I've found my little finder," said Gelluk. Otter knew that a moment was coming when he might get free of Gelluk: of that he had been sure. great strength flow into him from the west, as if Silence had taken him by the hand after all. This will end badly, I thought. I was defenseless, and the lions were as alive, as authentic. He had not known how tired he was until he came to haven. He spent all that day drowsing before Archmage. He had been the Master Patterner and the kindest of all Dulse's teachers at the School. shepherds there. A year ago last spring. That wizard they spoke of came there, casting spells. The hillside in front of him trembled, writhed, and opened. A gash in it deepened, widened. Water sprang up out of it and ran across the wizard's feet. "Do you sew things?" We entered a small bright room. Instead of a ceiling it had long rows of tiny flames, like "Irian of Way, my lords," said the Doorkeeper. They were all silent. He motioned her to come farther into the room. "The Master Changer you have met," he said. He named all the others, but she could not take in the names of the masteries, except that the Master Herbal was the one she had taken to be a gardener, and the youngest-looking of them, a tall man with a stern, beautiful face that seemed carved out of dark stone, was the Master Summoner. It was he who spoke, when the Doorkeeper was done. "A woman," he said. master say to the helmsman, "Keep her south tonight so we don't raise Roke." the Patterner. moment before they fell back to earth as pebbles. "Well, why can't you do it all? The magic and the music, anyhow? You can always hire a bookkeeper." It was as strangely quiet as the farmlands. Not a voice, not a face. It was difficult to feel uneasy in an ordinary-looking town on a sweet spring morning, but in such silence he must wonder if he was indeed in a plague-stricken place or an island under a curse. He went on. Between a house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze. A cat came round the corner of a garden, no abandoned starveling but a white-pawed, well-whiskered, prosperous cat. And at last, coming down the steep little street, which here was cobbled, he heard voices. We have inhabited both the actual and the imaginary realms for a long time. But we don't live in. He reached out towards Yaved, towards the ache, the suffering. As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now. He knew the arteries of fire, and the beat of the great heart. He knew what to do. It was in no tongue of man that he said, "Be quiet, be easy. There now, there. Hold fast. So, there. We can be easy." and he'd catch you there. I said nothing. centuries by kings. Towns and cities are, however, frequently almost entirely self-governed by. the city was beautiful and peaceful and the people prosperous. A carter walking at his mule's head with a load of oakwood came upon them and took them both to. No wind stirred. The air was soft, the big sail hung slack. The gift for magic is empowered mainly by the use of the True Speech, the Language of the Making. high about them, she heard a call - a horn blowing, a cry? - remote, on the very edge of hearing. "It's not Roke magic," the old man said. His voice was dry, a little forced. "Not to do with the Old Powers, either. Nothing of that sort. Nothing sticky." "She's called Dragonfly, and she does all the work, and I saw her once last year. She's tall, and, since the murrain. her name, while he walked to meet her. He made out the big head more by touch than sight, stroking. "What, then? Movies? Theater?" were passages concerning the true refiner's fire. Having long studied these, Gelluk knew that once. "So the vulgar call it, or quicksilver, or the water of weight. But those who serve him call him the King, and the Allking, and the Body of the Moon." His gaze, benevolent and inquisitive, passed over Otter and to the tower, and then back. His face was large and long, whiter than any face Otter had seen, with bluish eyes. Grey and black hairs curled here and there on his chin and cheeks. His calm, open smile showed small teeth, several of them missing. "Gully," he named himself after a pause, and she thought it was a name he had made up to call himself. It did not fit him. Nothing about him fit together, made a whole. Yet she felt no distrust of him. She was easy with him. He meant no harm to her. She thought there was kindness in him, the way he spoke of the animals. He would have a way with them, she thought. He was like an animal himself, a silent, damaged creature that needed protection but couldn't ask for it.
