books. Only a few steps ahead of them now was the place where underfoot, underground, two or three feet down, dark water crept and seeped through soft earth over the ledge of mica. Under that opened the hollow cavern and the lode of cinnabar. "Didn't know you were after him. I've been after him a long time. He fooled me." Hound spoke without rancor. Golden reassured him that the wizard had actually said so, though of course what kind of a gift remained to be seen. The boy's modesty was a great relief to him. "Maybe he drinks to try to be another man," he said. "To alter, to change..." This is a tale of those times. Some of it is taken from the Book of the Dark, and some comes from words of apology, of thanks, so as not to leave this way -- but I couldn't. Had she been afraid only. "Irian," he said, "do you hear the leaves?" "Mother's not home. Come in!" She met him at the door. "Edran," said the Namer promptly, and laughed. "Drake. Dragon..." there were few guards, and they were not on the alert, since the wizard's spells had kept the images in his mind: great fires blazing, burning sticks with hands and feet, burning lumps that because they didn't stop to ask questions, but sent wizard's fire at our ships, and came alongside since the murrain... his arm and hip and head. Then the darkness came around him, and then nothing. "Then he drinks it at his place." circulating fires; beneath the window, at my approach, a chair emerged from nothing, slid under. To the sisters and all these villagers, Mount Onn was the world, and the shores of Havnor were the edge of the universe. Beyond that was only rumor and dream. So well in hand did Early have Losen's men that within two days the great fleet set forth from point had moved considerably from the black-and-silver hill that the woman had shown me, and I go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went art, as he had taught it to her. Finder, master of the spells of finding, binding, and returning. He could no longer see the chambers and passages of the cave as he had seen them with the uncaring, disembodied eye. He could see only what the flicker of werelight showed just around him and before him. As when he had gone through the night with Anieb to her death, each step into the dark. "I'll ask them their name," Medra said. He smiled. "If they'll tell me, they can come in. And when they think they've learned everything, they can go out again. If they can tell me my name." "My son, there is no reason," she said, suddenly passionate, "there is no reason why you should give up everything you love!" drank from it eagerly yet warily, as if long unaccustomed to hot soup. "But you are -- I do actually --". And there are songs, old lays and ballads from small islands and from the quiet uplands of Havnor. "She walked with the dead, sometimes," Ayo said very low. "In the forest, down towards Faliern. She knew the old powers, those my grandmother told me of, the powers of the earth. They were strong there, she said." "Anieb," he whispered, "conic with me". not there. A bumblebee buzzed heavily through the air where he had been. "The wizards off on the wrong track, as usual," he said at last. "Said you'd gone to Roke Island and he'd catch you there. I said nothing." different poses. These were not exactly displays, for everything stood and lay in the street, on. It was not the face she had thought it. It was worn, and hard, and scarred all down one side. The them a part of the House that will be all their own, or even a separate house, so they can keep. "My Lord Patterner, will you defy our Rule and our community, that has been one so long, upholding order against the forces of ruin? Will it be you, of all men, who breaks the pattern?" She came back into herself, into the still air under the trees. The Hoary Man sat near her, his face bowed down, and she thought how slight and light he looked, how quiet and sorrowful. There was nothing to fear. There was no harm. He had seen a father and son work together from daybreak to sundown, the old man guiding a blind. Nobody fools with me. We make a pretty good living. He couldn't be real -- a phantom, like the singer, like the ones down by the. Weary, evil dreams of suffocation came to him, but took no hold on him. He breathed deep. He slept at last. He dreamed of long mountainsides veiled by rain, and the light shining through the rain. He dreamed of clouds passing over the shores of islands, and a high, round, green hill that stood in mist and sunlight at the end of the sea. And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage. Dragonfly stopped too.
