suspicious in itself." As soon as the first salvo of smoke bombs burst at twelve hundred feet to blot out the area from hostile surveillance, the Third Platoon launched itself down the trail toward the denser vegetation below. Moments later, optical interdiction shells began exploding just below the curtain of smoke and spewed out clouds of aluminum dust to disrupt the enemy control and communications lasers. Ahead of the attacking troops, a concentrated point barrage of shells and high-intensity pulsed beams fired from the firing platoons rolled forward along the trail to clear the way of mines and other antipersonnel ordnance. Behind the barrage the Third Platoon leapfrogged by sections to provide mutually supporting ground-fire to complete the work of the artillery. There was no opposition. The defending artillery opened up from the rear within ten seconds of the initial smoke blanket, but the enemy was firing blind and largely ineffectively..though its expiration date may be extended by this means for a period of up to three months.
