The original design had taken the form of a dumbbell, with fuel storage and the thermonuclear pulse engines concentrated at one end, and the computers and sensitive reconnaissance instruments

carried at the far end of a long, connecting, structural boom to keep them safely away from drive-section radiation. The modifications added after 2015 for creating and accommodating the first Chironians had entailed extensions to the instrumentation module and the incorporation of auxiliary motors which would spin the dumbbell about its center after arrival in order to simulate gravity for the new occupants while the first surface base was being prepared..Micky had no appetite. She left the pie untouched. "She really was in an institution once, wasn't she?".Pernak tossed up his hands. "I've been to take a look at their university and what they do there. You wouldn't believe it. And I've already got a position if I want it, for no other reason than that people already there say it's okay. You get a house, for nothing . . . a good one. Or they'd build you one however you want it. How can you say no? We're going to become Chironians. And so will everybody else when they've gotten over the voyage. Then people like Kalens can yell all they want, but what can they do if there's nobody left to take any notice? It's as I said-you have to start thinking like Chironians..".LOVE IS THE ANSWER T-shirt.. He had slept with her a few times, many months ago now, and enjoyed it. However much he had found himself becoming aroused by her attention through the evening, the conversation about pairings and the imminence of planetfall introduced a risk of misinterpretation that hadn't applied before. Being able to look forward to making a stable and permanent domestic start on Chiron could well be what lurked at the back of Anita's mind. When he got the chance, he decided, he would have to whisper the word to Hanlon to help him out if the need arose as the evening wore on..to her that acting silly-kid excited about them would help convince Dr. Doom that she continued to..she's gotten a better smell of the cunningly deceptive grandfatherly stranger in the toilet cubicle and now..Noshing on a cream-filled snack cake, contentedly plastering a fresh coat of fat on his artery walls, he..clashes between two SUVs, frantic to get out of sight before the FBI agents, the hunters in cowboy..Padawski and his followers had somehow shown up on the far side of the Medichironian, which was only sparsely settled, and seemed to be settling in as bandits in the hills. What a bandit would hope to achieve on a world like Chiron was hard to see, but revenge against Chironians seemed to have a lot to do with it; two isolated homes had been invaded, ransacked, and looted, in the course of which five Chironians and one soldier had been killed, Three Chironians, including a fifteen-year-old girl, had been raped. The Army was scouring the area from the air and with search parties on foot, but so far without success ~the renegades were well trained in the arts of concealment. Micky wasn't Sinsemilla, after all. Micky."Guard detail, file left and right by sections," Sirocco said at the front. "Section leaders forward." He moved out into the aisle, where the floor had folded itself into a

steep staircase to facilitate fore-and-aft movement, and climbed through into the side-exiting lock chamber with Colman and Hanlon behind him while Red and Blue sections formed up in the aisles immediately to the rear. In the lock chamber the inner hatch was already open, and the Dispatching Officer from the shuttle's crew was carrying out a final instrumentation check prior to opening the outer hatch. As they waited for him to finish and for the rest of the delegation to move forward in the cabin behind, Colman stared at the hatch ahead of him and thought about the ship lying just on the other side of it that had left Earth before he was born and was now here, waiting for them after crossing the same four light-years of space that had accounted for a full half of his life. After the years of speculations, all the questions about the Chironians were now within minutes of being answered. The descent from the Mayflower II had raised Colman's curiosity to a high pitch because of what he had seen on the screen. For despite all the jokes and the popular wisdom, one thing he was certain of was that the engineering and structural modifications that he had observed on the outside of the Kuan-yin had not been made by irresponsible, overgrown adolescents..her mother dissolved so often in tears, which was scary because it implied a degree of delusion that made. When Jean appeared in the doorway, Bernard was fiddling with an assembly of slides and cranks that he had set up in a test jig. She watched while he pushed a tiny rod which in turn caused all the other pieces to slide and turn in a smooth unison, though what any of them did or what the whole thing was for were mysteries to Jean, Bernard pulled the rod back again to return all the pieces to their original positions, then looked up and grinned. "I have to take my hat off to Army training," he said. "I'll say one thing for Steve Colman-he sure knows what he's doing. Our son has produced some first-class work here." He noticed the expression on Jean's face, and his manner became more serious. "Aw, try and snap out of it hon. I know everything's a bit strange. What else can you expect after twenty years?
